

SLURRY TANK TRAILER FV2011-19-R295-UK

(De uitvoering op de foto kan afwijken van de standaard)
(The execution on the picture can deviate from the standard)

Standard Specification

King Pin Weight
Axle Weight
Gross trailer weight
Leeggewicht
Gross vehicle weight
Tank diameter
Fifth wheel height
Material tank
3 Axle Valx, drum brakes
D-TEC Steering system
Tyre size
Axle inter distance
First axle automatic liftaxle
Hydraulic system
Pump
Colour: grey
Manhole
Baffle plate
Control window on top
Airation- and ventilation
22 L pressure / 28 L return connection
2 Support legs, only disconnected if empty
Hose storage L + R
Stainless steel stair
Ventilationbox with ventilation sign, valve and lamp

Standaard specificatie

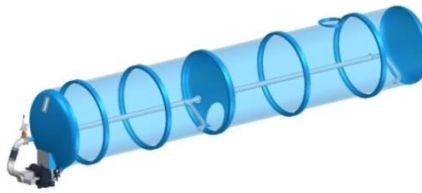

Schoteldruk 14.000 kg
Asstel 27.000 kg
Totaal toegestane massa 41.000 kg
Empty weight 6,520 kg (+/- 2%)
GVW 44.000 kg
Tankdiameter 1.900 mm
Schotelhoogte 1.200 mm
Materiaal tank Stainless steel
3 assen, Valx trommelrem 9.000 kg
D-TEC stuursysteem
Bandenmaat 385/65 R22.5
Asafstand 1.810/1.810
1^e as automatische liftas
Hydraulieksysteem 80-100 l/min.
Pomp 6 m³/min.
Kleur: grijs
Mangat
Slingerschot
Kijkglas boven
Beluchting & ontluuchting
22 L druk- en 28 L retourleiding
2 Steunpoten, alleen ontkoppelen bij leeg
Slangengoot L+ R
RVS trap
Ontluchtingspot met klep, kraan en lampje
